

EARTHSMART Actions

Stormwater Quality Action 1. Stormwater Pollutants

Bring this Data Collection Sheet, your neighborhood map and a pencil and take a walk around your neighborhood to search for evidence of stormwater pollutants. Use caution and look for cars. You should be able to complete this action from the safety of the sidewalk.

POLLUTANT	LOCATIONS	AMOUNT
Litter Food wrappers, plastic bags, cigarettes, bottle caps, paper	<i>ex. In gutter by the 7-11</i> 1. 2.	<i>ex. Lots! A "Hot Spot"</i> 1. 2.
